

## JOB DESCRIPTION

<b>Job Title</b>	<b>Senior Physiotherapist</b>
<b>Location</b>	<b>CHO 7 Mid Kildare CDNT</b>
<b>Contract Hours</b>	<b>35 hrs per week</b>
<b>Contract Type</b>	<b>12 month fixed term contract</b>
<b>Reporting to</b>	<b>Children's Disability Network Manager</b>

### **Overall Purpose of the Post:**

To work as a senior member of the interdisciplinary team providing services to children 0 – 18 years and families within the region. The post holder will be responsible for the provision of a physiotherapy service to include assessment diagnostics and intervention (including hydrotherapy), and ongoing service delivery to children with a range of disabilities.

### **Overview of Areas of Responsibility**

#### **Planning & Managing**

- Plans and organises individual and group caseloads, to include assessments, interventions and diagnosis.
- Foresees potential problems or competing priorities and takes appropriate action to ensure service standards don't suffer.
- Fosters an awareness of the need for value for money and a sense of accountability for budgets within the team/service.
- Takes responsibility for the achievement of service delivery targets by regularly monitoring, recording and reporting performance outcomes and statistics.
- Demonstrates innovation in aiming to work within resource limitations to sustain and enhance the service.
- Takes responsibility for the line management and clinical supervision of basic therapists within the team/service as required.
- To carry out vaccination of both service owners/users and staff as required.

#### **Judgement & Evaluation**

- Demonstrates a sound understanding of administrative practice and protocol in decisions.

- Thinks ahead to the consequences of decisions, and considers precedence to ensure consistency.
- Establishes integrity by ensuring that the professional, ethical and safety factors are fully considered in decisions into which they have an input.
- Makes decisions in a transparent manner by involving and empowering others where appropriate and will explain the rationale behind decisions
- Recognises when it is appropriate to refer decisions to a higher level of authority or to include other colleagues in the decision.

#### **Professional Development and Standards in the service:**

- Demonstrates sufficient clinical skills in assessment intervention and diagnostics to meet the specific needs of the relevant caseload
- Collaborate skilfully with the service user and other stakeholders while working in partnership with the service user's parent/family/carer to identify goals, including complex situations.
- Is aware of policy, legislative and professional requirements to ensure appropriate standards in their area of responsibility.
- Ensures that all records and technical data are up to date and available if required.
- Takes initiatives to move the service forward and show willingness to try out new ideas that add service delivery value.
- Ensures strict compliance with health and safety standards and adheres to operational guidelines ensuring equipment is checked and working correctly in accordance with safety standards.
- Ensures that professional standards are adhered to for the relevant discipline.

#### **Team Working**

- Attend and actively contribute to relevant clinical, professional and service meetings.
- Participates as a full member of the service team.
- Takes an active role in supporting other clinicians and managers in service decisions and direction
- Involves the team in the running of the service and in decisions
- Facilitates staff development by providing support such as clinical supervision, mentoring, coaching and formal development planning.
- Understands the complexity of working in a team and team dynamics.
- Understands and facilitates interdisciplinary team working.
- Participate in training and developmental opportunities as identified and agreed.

- Support and contribute to research initiatives as required.
- Supports the Children’s Disability Network Manager in implementing changes and improving service delivery

### **Leadership**

- Builds credibility and portrays the profession/service in a positive light by being professional and well informed.
- Demonstrates determination and initiative to achieve results and improve the service.
- Clearly accepts accountability for standards of performance in relevant area of responsibility.
- Inspires others to work to high standards by being enthusiastic about the profession and the service.
- Maintains ethical and personal standards at all times.
- Facilitate individual and group interventions in a skilled manner.

### **Communication**

- Gets a message across fluently and persuasively in a variety of different media (oral, written and electronic).
- Makes a compelling case to positively influence the thinking of others.
- Demonstrates strong listening and sensing skills.
- Work in partnership with a range of relevant stakeholders.

To minimise exposure to breaches of GDPR, strict compliance is required In the course of carrying out the duties of this job and working with others.
