

**Enable Ireland teams support children from all over Ireland – but this year we’ve had some very special visitors come from the North Pole!**

This Little Elf was getting into a lot of trouble in the workshop – he kept making mistakes when carrying out his jobs. The speech and language therapist found out that he had trouble understanding long instructions – especially if the words ‘before’ and ‘after’ were used. Santa asked everyone to use ‘First, next, then...’ when giving him instructions – and to give him pictures or written instructions to follow.

He’s just got an Elf of the Month award!!
