

Enable Ireland teams support children from all over Ireland – but this year we’ve had some very special visitors come from the North Pole!

This Little Elf was walking on his toes a lot – which made him wobbly. Santa was worried that he would fall and hurt himself in the busy workshop.

Our Physiotherapist made him a splint for his leg to make him more stable. She also gave him some exercises to do on a balance ball to build up his strength.

Santa got some tips from the Psychologist and he has said that

When the Little Elf had done his exercises

Then he can pick his favourite toys in the workshops to play with.
