

Covid-19 Notice:

- Enable Ireland is following HSE advice in relation to prevention of the spread of Covid-19.
- Before confirming your appointment, we will need to confirm that you have had no symptoms of Covid-19 within the past two weeks.
- Your wheelchair and seating will need to be cleaned for your appointment.
- Please arrive at your scheduled time, phone your SeatTech contact, and wait at your vehicle until met by a member of staff.
- Only you, and up to two SeatTech staff should be in the room for your appointment.
- If it is essential that you have a carer or parent with you for the appointment, then up to one extra person may be present.
- It is essential that physical distancing of 2m or more is maintained at all times, where possible.
- Your primary therapist will be invited to attend remotely.
- Please plan for an appointment lasting up to three hours - There will be no canteen facilities available, so please bring your own provisions.
