

JOB DESCRIPTION

Job Title	Staff Grade Psychologist
Location	Wicklow Services (Bray/Arklow)
Reporting to	Services Manager

Overall Purpose of the Post:

To work as a member of the inter/transdisciplinary team providing services to children and families within the region, to include clinical assessments, interventions and ongoing service delivery.

Key Working Relationships:

Enable Ireland delivers services using the Social Model of Disability and as such has a wide range of stakeholders with whom strong professional relationships need to be forged and fostered on an ongoing basis. These stakeholders will be clearly identified.

Overview of Areas of Responsibility

Planning and Organising of Activities and Resources

- Plans and organises activities and necessary resources efficiently and effectively.
- Understands the importance of time management for themselves and in particular how this translates to organising their assigned caseload.
- Demonstrates the ability to arrange and schedule activities.
- Deals with unexpected scenarios with persistence and flexibility to ensure the achievement of goals.
- Maintains a disciplined and professional level of performance under sustained or situational pressure.

Professional Development and Standards in the Service

- Demonstrates sufficient clinical skills in assessment, intervention and diagnostics to meet the specific needs of the relevant caseload.
- Is adequately aware of policy, legislative and professional requirements to ensure appropriate standards in their area of responsibility.
- Ensures that all records and technical data are up to date and available if required.
- Ensures strict compliance with health and safety standards and adheres to operational guidelines ensuring equipment is checked and working correctly in accordance with safety standards.

Integrity & Decision Making

- Holds an appropriate and effective set of professional values and beliefs and behaves in line with professional standards as set down by Enable Ireland and relevant professional bodies.
- Makes decisions in a well-judged and timely manner bringing all relevant information to bear.
- Uses logical analysis to break complex problems into their component parts.
- Promotes and consistently supports the demonstration and development of evidence based service delivery.

Service Delivery & Initiative

- Has the functional and technical knowledge and skills to make a credible contribution to the service.
- Collaborates with the service user while working in partnership with the service user's parent/family/carer and all other relevant stakeholders to identify and achieve goals.
- Strives to achieve quality results at all levels of the service in line with the European Foundation for Quality Management (EFQM) as adopted by Enable Ireland.
- Takes initiatives to move the service forward and shows a willingness to try out new ideas under supervision that add service delivery value.
- Is committed to achieving evidence based goals and the continuous improvement of the service.
- Shows enthusiasm and a high level of motivation in completing projects.

Building and Maintaining Working Relationships

- Forms strong positive working relationships across all areas of the service, builds on a common understanding.
- Demonstrates a supportive and reciprocating work style including strong empathy with service users.
- To communicate effectively with parents of children attending the service so as to provide a children and family centered service.
- Works appropriately with all stakeholders.

Team Working

- To work in collaboration with the other members of the inter /transdisciplinary team in the planning and delivery of services for children, in particular in the development of Individualised Family Service Plans.
- Attend and actively contribute to relevant clinical and professional and service meetings.
- Participate in training and developmental opportunities as identified and agreed.
- Support and contribute to research initiatives as required.
- Understands concepts of inter and transdisciplinary team working and complexity of working in teams.
