

**Enable Ireland teams support children from all over Ireland – but this year we’ve had some very special visitors come from the North Pole!**

This Little Elf can walk around the workshop – but he gets really tired walking longer distances. He was getting into trouble for being late arriving everywhere.

Our Physiotherapist and Occupational Therapist recommended a wheelchair for longer journeys. The Little Elf designed his own wheel covers.

Now this Little Elf can keep up with all his friends when they are outside.
