

Enable Ireland teams support children from all over Ireland – but this year we’ve had some very special visitors come from the North Pole!

This Little Elf was finding it hard to talk to other elves that he didn't know well. He was never sure what to say and it made him very nervous.

Our Speech and Language Therapist showed him a conversation planner that a girl she knows had made for Christmas. It gave him great ideas of what questions he could use to start – and continue – conversations.

The Little Elf is going to practice this with his teacher first. Then he'll try it out with the other elves.
