

**Enable Ireland teams support children from all over Ireland – but this year we’ve had some very special visitors come from the North Pole!**

This Little Elf was finding it hard to take part in circle time at the North Pole Preschool.

Our Preschool Leaders had a chat with the Elf Preschool Leader and they suggested sitting Little Elf straight in front of her so she could make eye contact easily. They suggested that Little Elf bring a photo to circle time to help her tell her news.

Santa was delighted to have someone try out some of the cameras he’s getting ready for boys and girls this Christmas.
