**Bank of Ireland's Learning and Development Department** - the Learning Exchange - is once again partnering with Business in the Community Ireland to offer places on training courses to community groups and charities.

The Learning Exchange has been providing top-class training days to the charity and community sector for almost a decade. The upcoming Learning Exchange courses in August 2020 are excellent opportunities for your organisation to avail of dynamic, professional and personal development training.

The courses will be delivered by Bank of Ireland's training partner Accenture. Bank of Ireland's Learning Exchange has been delivering training courses to the community and voluntary sectors since 2012, and this will be the first time the courses have been delivered virtually.

Learning Exchange is offering two courses this August:  
**'Building My Personal Resilience' on the 14<sup>th</sup> of August,**  
**'Social Media Training' on the 28<sup>th</sup> of August.**

**Where:** Learning Exchange - Online via Zoom (*links will be provided to attendees once your place has been confirmed*)

**When:** **Course 1:** Building Your Personal Resilience:  
**Friday, 14<sup>th</sup> August 2020** – 10.00am - 11.15am  
**Course 2:** Social Media Training:

For previous Learning Exchange training days a nominal fee of €30 was applicable. However, as all training is now being delivered online and the length of the courses are shorter, they are reducing the fee to reflect this. The training is provided free by Bank of Ireland, the nominal fee is used to cover very basic costs for administering the programme and for attendees to make a commitment to attending, as the training places are in high demand.

The nominal fee is required to be paid when booking your ticket on Eventbrite. If you have any issues with processing payment please contact Joe O'Donnell at [jodonnell@bitc.ie](mailto:jodonnell@bitc.ie).

***N.B. For the Social Media training, a maximum of 1 attendee per organization is permitted to register for this course.***
