Disability Services
Life With No Limits

Thank you for your interest in holding a fundraising event. At Enable Ireland, we believe that access, inclusion and equality are basic rights for everyone and assert that society must recognise and accommodate each individual's needs. We work in partnership with those who use our services to help them achieve maximum independence, choice and inclusion in their communities. We focus on the person, not the disability. Our aim is to ensure that they have as much independence as possible and can participate in their communities to the greatest extent. Fundraising events allow us to continue to provide this support and expand our services further.

Enable Ireland

- One of Ireland's leading charities.
- Services across 40 locations in 14 counties.
- Supporting 5,000+ children & 300+ adults with disabilities and their families.
- Over the last 5 years, demand for our services has grown by 42%.

"We focus on the person, not the disability."

How to get started

Step 1: Application Form + Approval

- Complete the application form in this pack & understand the T&C's.
- Submit to Enable Ireland and await approval.
- Once approval has been received, you're ready to start your fundraiser.

Step 2: Set up a committee

- Bring people who have different skills, experiences and resources together.

Step 3: Plan the event

- Draw up a **plan** and **map** your event from start to finish.
- Choose an **event** – **create** your own, **raise funds** for events being organised locally/nationally, **sign up** to an event being organised in aid of Enable Ireland.
- In choosing your event, think about who you want to **appeal** to and what you are trying to **achieve**.
- Select a **date** – be sure to give yourself enough **time** to prepare.
- If you need to use a **venue** as part of your event, it will need to be large enough to accommodate your guests and have the appropriate facilities that you require. Make sure you have enough volunteers, tickets, chairs, tables, microphones, refreshments etc.

Step 4: Sponsorship

- Start with friends, family and colleagues (who may also wish to volunteer for the fundraising event). Local businesses are usually happy to support good causes.

Terms & Conditions of Running an Event with Enable Ireland

Enable Ireland logo and name: using this as a third-party

There are rules surrounding the use of Enable Ireland as a name and as a logo, which are as follows:

1. As a third party fundraiser, the name of your event should not have Enable Ireland in the title. You can only use the Enable Ireland name and logo to show that the event will BENEFIT Enable Ireland. Enable Ireland is the beneficiary of the event, rather than the organiser. For example, please name your event as “<Title of Event> in aid of Enable Ireland” or state that “all proceeds to go to Enable Ireland.”
2. You must gain prior written approval from Enable Ireland for any printed materials, online materials, media publications or advertisements associated with the event. Approval should be sought from either Head Office or a Regional Service, depending on who your primary point of contact is with Enable Ireland in relation to your event. Drafts of all proposed printed or digital assets that contain the Enable Ireland logo must be shared in advance with the Communications Department to confirm compliance with Brand Usage Procedures.
3. You must contact the Enable Ireland Communications Office to obtain the correct Enable Ireland logo (if needed). Prior written sign off of all material where the logo is used must be sought from Enable Ireland. Please note that a copy of the logo from other sources must never be used.

Cash Handling and Banking

1. In your own interest and to adhere to auditors requirements, it is required that a minimum of two adults be present to count any proceeds from fundraising events.
2. All net proceeds from the event must be returned to Enable Ireland within 30 days of the event taking place. You can lodge funds directly into the regional or national account (please contact us for details). Alternatively, you can send a cheque or postal order to the benefitting local service centre or to Head Office.

Running your event

Every fundraising event must be run in accordance with all applicable laws. It is the sole responsibility of the Event Organiser(s) to ensure that the event complies with all respects of the law and with the requirements of Enable Ireland as outlined here.

1. Approval to repeat an event must be requested from Enable Ireland in writing prior to repeating it.
2. Enable Ireland will assist with your event only by way of offering advice and guidance. The overall running of the event, including (without limitation) expenses, promotion, insurance, record-keeping and management, is your responsibility.
3. Enable Ireland insurance does not extend to your events - we suggest that prior to your event you must seek independent insurance advice.
4. Please contact your local Garda station for guidance on any legal permits that you may require for your event.
5. If you are holding a raffle where the sale of tickets is to the general public, outside of guests you may have at your event, you should contact your local Garda Station to obtain a permit
6. With regard to door-to-door calls, you may only do so provided you know the resident and these calls are only conducted during daylight hours.
7. Regarding the sale of CDs, books, calendars and other similar items on behalf of Enable Ireland, ALL requests for same must have prior written approval from the relevant region or service centre to benefit from the sale of the said item, or from Head Office.
8. Enable Ireland cannot provide direct marketing and/or Publicity for your event.
9. You must advise Enable Ireland of any changes to the details of your event provided on this form prior to the event taking place.

Disclaimer

To the fullest extent allowed by law, the Event Organisers agree to:

- Release Enable Ireland from claims and demands of any kind arising from or related, directly or indirectly, to the fundraising event and;
- Indemnify and hold harmless Enable Ireland, on an on demand basis, from any and all liability resulting from loss, damage or injury of any kind and in any way connected, directly or indirectly, with the fundraising event.

If, in the sole opinion of Enable Ireland, an Event Organiser does not, in advance of the event, obtain necessary or prudent insurance cover and/or any required permit for the event (from Enable Ireland or from any other person), Enable Ireland reserves the right to withdraw or decline any association with the event, without giving prior notice to the Event Organisers. If that happens, Enable Ireland may also publicise the fact that Enable Ireland is not in any way associated with or endorsing the event.

Enable Ireland's insurance does not apply to the fundraising event. In particular, it does not cover loss, damage or harm to any person, organising, assisting with or participating in the fundraising event or to the property of any such person or any other person. Whether the fundraising event involves use of public parks, public areas or private property, Enable Ireland does not accept any responsibility for any damage that may arise from or be caused (directly or indirectly) by such fundraising event.
